

PONTIFICIA UNIVERSIDAD CATÓLICA DE CHILE College of Engineering

Major in Biological Engineering

I. Program Educational Objectives:

Students graduating from the program obtain the Bachelor of Science in Engineering, with Major in Biological Engineering.

The Program Educational Objectives for the Major in Biological Engineering (B. Sc. Eng.) are the following:

- 1. Our graduates will perform competitively in Biological Engineering and related professional fields.
- 2. Our graduates will develop efficient solutions to global problems sustained on the integration of life sciences and quantitative engineering analyses.
- 3. Our graduates will be engaged in lifelong learning, and will enrich their profession with advanced degrees in engineering and related interdisciplinary professional fields.
- 4. Our graduates will communicate clearly, participating in interdisciplinary teams, with high ethical standards.

PEOs approved by all constituents of the BE Program. Final promulgation by BE Program Committee on 2021.

II. Student Outcomes:

- 1. Our graduates will perform competitively in Biological Engineering and related professional fields.
- 2. Our graduates will develop efficient solutions to global problems sustained on the integration of life sciences and quantitative engineering analyses.
- 3. Our graduates will be engaged in lifelong learning, and will enrich their profession with advanced degrees in engineering and related interdisciplinary professional fields.
- 4. Our graduates will communicate clearly, participating in interdisciplinary teams, with high ethical standards.

III. Student Admissions:

Students are initially admitted to a common study program that is the same for any engineering area. As student progress in time, programs differentiate according the engineering area.

PONTIFICIA UNIVERSIDAD CATÓLICA DE CHILE

College of Engineering

Student Admission*									
Year	N° Students								
2011	543								
2012	553								
2013	716								
2014	732								
2015	719								
2016	726								
2017	732								
2018	740								
2019	772								
2020	808								
2021	827								
2022	844								
2023	811								

^{*}Regular Admission (PSU) and Special Admission (PSU Process).

IV. Program enrollment and degree data:

	FAIDOLL MENT VEAD						UNDERGRAD PER COHORT
